4. Orders and Specifications

- 4.7. The Company reserves the right to make any changes in the specification of the Goods or Services which are required to conform to any applicable safety or other statutory requirements or which do not materially affect their quality or performance.
- 4.8. The quantity and description of the Goods or Services shall be as set out in the Company's quotation or acknowledgement of order.
- 4.9. All samples, drawings, descriptive matter, specifications and advertising issued by the Company and any descriptions or illustrations contained in the Company's catalogues or brochures are issued or published for the sole purposes of giving an approximate idea of the Goods or Services described in them. 5.2.2. If the Company's performance of its obligations under the Contract is prevented or delayed by any act or omission of the Buyer, its agents, subcontractors, consultants or employees, the Company shall not be liable for any costs, charges or losses sustained or incurred by the Buyer arising directly or indirectly from such prevention or delay.

5.2.3. The Buyer shall be liable to pay to the Company, on demand, all reasonable costs, charges or losses sustained or incurred by the Company (including, without limitation, any direct, indirect or consequential losses, loss of profit and loss of reputation, loss or damage to property and those arising from injury to or death of any person and loss of opportunity to deploy resources elsewhere) arising directly or indirectly from the Buyer's fraud, negligence, failure to perform or delay in the performance of any of its obligations under the Contract, subject to the Company confirming such costs, charges and losses to the Buyer in writing.

5.3. Each party shall comply with all laws, rules, regulations, and ordinances applicable to the Contract, its interactions with the other party under the Contract, and the Goods.

6.1. Unless otherwise agreed in Writing by the Company, the prices of the Goods or Services shall be the price quoted to the Buyer by the Company or, where no price has been quoted (or a quoted price is no longer valid), the Company's list price current at the date of acceptance of the order.

6.2. The Company reserves the right, by giving notice in Writing to the Buyer at any time before delivery, to increase the price of the Goods or Services to reflect any increase in the cost to the Company which is due to any factor beyond the control of the Company (such as, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods or Services which are requested by the Buyer, or any delay caused by any instructions of the Buyer or failure of the Buyer to give the Company adequate information or instructions.

6.3. The price is exclusive of any applicable value added tax, or other import or customs taxes, impositions or charges, which the Buyer shall be additionally liable to pay the Company.

6.4. The cost of pallets and returnable containers may be charged to the Buyer, at the Company's sole option, in addition to the price of the Goods and Services, but full credit will be given to the Buyer provided they are returned undamaged to the Company before the payment due date.

7. Payment

7.1. Subject to any special terms agreed in Writing between the Buyer and the Company, the Company may invoice the Buyer for the price of the Goods and/or Services on or at any time after delivery of the Goods or the provision of the Services, unless the Goods are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Goods, in which event the Company shall be entitled to invoice the Buyer for the price at any time after the Company has notified the Buyer that the Goods are ready for collection or (as the case may be) the Company has tendered delivery of the Goods.

7.2. The Buyer shall pay the price of the Goods and/or Services, without any deduction or setoff, within thirty (30) days of the date of the Company's invoice, and the Company shall be entitled to recover the

price, notwithstanding that delivery may not have taken place and the title in Goods or Deliverables has not passed to the Buyer. The time of payment of the prices shall be of the essence of the Contract. Receipts for payment will be issued only on request.

- 7.3. If the Buyer fails to make any payment on the due date then, without limiting any other right or remedy available to the Company, the Company may:
- (a) cancel the Contract or suspend any further deliveries or Services to the Buyer;
 - (b) appropriate any payment made by the Buyer for such of the Goods and/or Services (or the goods or services supplied under any other contract between the Buyer and the Company) as Company may think fit (notwithstanding any purported appropriation by the Buyer); and
 - (c) charge the Buyer interest (both before and after any judgment) on the amount unpaid, at the rate of one and a half per cent per month (18% per annum), until payment in full is made (a part of a month being treated as a full month for the purpose of calculating interest).

8. Delivery

- 8.1. Goods are shipped CPT to the destination agreed between the Parties.
- 8.2. Any dates specified by the Company for delivery of the Goods are intended to be an estimate and time for delivery shall not be made of the essence by notice. If no dates are so specified, delivery shall be within a reasonable time.
- 8.3. If for any reason the Buyer fails to accept delivery of the Goods when they are ready for delivery, or if the Company is unable to deliver the Goods on time because the Buyer has not provided appropriate instructions, documents, licences or authorisations:
- 8.3.1. Risk in the Goods shall pass to the Buyer (including for loss or damage caused by the Company's negligence);
 - 8.3.2. The Goods shall be deemed to have been delivered; and
 - 8.3.3. The Company may store the Goods until delivery, whereupon the Buyer shall be liable for all related costs and expenses (included, without limitation, storage and insurance).
- 8.4. The Company may deliver the Goods by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of the Contract.
- 8.5. Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the buyer to repudiate or cancel any other Contract or instalment.
- 8.6. The Company shall not be liable for any direct, indirect and consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and similar loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Company's negligence) nor shall any delay entitle the Buyer to terminate or rescind the Contract unless such delay exceeds one hundred and eighty (180) days.

- 9.1. The quantity of any consignment of Goods as recorded by the Company on dispatch from the Company's place of business shall be conclusive evidence of the quantity received by the Buyer on delivery unless the Buyer can provide conclusive evidence proving the contrary.
- 9.2. The Company shall not be liable for any non-delivery of Goods (even if caused by the Company's negligence) unless the Buyer gives written notice to the Company of the non-delivery within five (5) days from the date when the Goods would in the ordinary course of events have been received.
- 9.3. Any liability of the Company for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Goods.

10. Risk and Property

- 10.1. Legal title and risk of loss or damage shall transfer to the Buyer when Goods are delivered by the Company to and received by the carrier at the Company's designated shipping point.
- 10.2. Notwithstanding delivery and the passing of risk in the Goods or any other provision of these Conditions, ownership of, and the title in, the Goods shall not pass to the Buyer until the Company has received (in cash or cleared funds) payment in full in respect of:
 - 10.2.1. the full price of the Goods together with any interest if applicable payable in respect thereof; and
 - 10.2.2. all other sums which are or which become due to the Company from the Buyer on any account.
- 10.3. Until such time as the title in the Goods passes to the Buyer, the Buyer shall:
 - 10.3.1. hold the Goods as the Company's fiduciary agent and bailee;
 - 10.3.2. store the Goods (at no cost to the Company) separate from all other goods of the Buyer or of any other third parties in such a way that they remain readily identifiable as the Company's property;
 - 10.3.3. not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods; and,
 - 10.3.4. maintain the Goods in satisfactory condition and keep them insured on the Company's behalf for their full price against all risks to the reasonable satisfaction of the Company. On request the Buyer shall produce the policy of insurance to the Company;
 - 10.3.5. Until that time the Buyer shall, on its own behalf and dealing as principal, be entitled to resell for full market value or use the Goods in the ordinary course of its business but shall:
 - (a) account to the Company for the proceeds of sale or otherwise of the Goods, whether tangible or intangible including insurance proceeds; and,
 - (b) keep all such proceeds separate from any moneys or property of the Buyer and third parties and, in the case of tangible proceeds, properly stored, protected and insured.

 - 10.4.3. The Buyer encumbers or in any way charges any of the Goods.
- 10.5. The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.
- 10.6. Until such time as the title in the Goods passes to the Buyer (and provided the Goods are still in existence and have not been resold), the Company may at any time require the Buyer to deliver up the Goods to the Company, and if the Buyer fails to do so forthwith enter on any premises of the Buyer or any third party where the Goods are stored and repossess the Goods.
- 10.7. The Buyer grants the Company, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them.

- 10.9. On termination of the Contract, howsoever caused, the Company's (but not the Buyer's) rights contained in this Section 10 shall remain in effect.
- 11. Intellectual Property Rights**
- 11.1. Ownership. Except for the right to use the Goods and Deliverables for their intended purpose, the sale of Goods by the Company does not convey to the Buyer or any other third party any licence, implied or otherwise, under any Intellectual Property; provided that the Company hereby provides the Buyer with a non-exclusive, non-sublicensable, non-transferable licence while the Contract remains in effect solely to use, market, resell and lease the Goods.
