

Anduril: Voyager One (1) Year Limited Warranty

IMPORTANT: BY USING YOUR VOYAGER PRODUCT, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THE 1 YEAR LIMITED WARRANTY ("WARRANTY") AS SET OUT BELOW.

WHAT IS COVERED BY THIS WARRANTY?

Anduril warrants the Voyager-branded hardware product and Voyager-branded accessories contained in the original packaging ("Voyager Product") against defects in materials and workmanship when used normally in accordance with Anduril's published guidelines for a period of ONE (1) YEAR from the date of delivery to the end-user purchaser ("Warranty Period"). Anduril's published guidelines include but are not limited to information contained in technical specifications, user manuals and service communications.

Anduril further warrants that (subject to the other provisions of this warranty) upon delivery, and for a period of ninety (90) days from the date of delivery, the Software will substantially conform to its specifications and will not fail to execute its programming instructions due to defects in materials and workmanship when properly installed and used on the hardware designated by Anduril for such Software. "Software" means the machine readable (object code) version of the computer programs authored by Anduril and provided as part of the Voyager Product including firmware, and any copies made, bug fixes for, updates to or upgrades thereof.

WHAT IS NOT COVERED BY THIS WARRANTY?

This Warranty does not apply to any non-Voyager branded hardware products or software, even if packaged or sold with Voyager hardware. Manufacturers, suppliers, or publishers, other than Anduril, may provide their own warranties to you – please contact them for further information. Anduril does not warrant that the operation of the Voyager Product will be uninterrupted or error-free. Anduril is not responsible for damage arising from failure to follow instructions relating to the Voyager Product's use.

This Warranty does not apply: (a) to protective coatings that are designed to diminish over time or batteries, unless failure has occurred due to a defect in materials or workmanship; (b) to cosmetic damage, including but not limited to scratches, dents and broken plastic on ports unless failure has occurred due to a defect in materials or workmanship; (c) to damage caused by use with a third party component or product that does not meet the Voyager Product's specifications (Voyager Product specifications are available upon request); (d) to damage caused by accident, abuse, misuse, fire, earthquake or other external cause including electromagnetic interference; (e) to damage caused by operating the Voyager Product outside Anduril's published guidelines; (f) to damage caused by service (including upgrades and expansions) performed by anyone who is not a representative of Anduril; (g) to a Voyager Product that has been modified to alter functionality or capability without the written permission of Anduril; (h) to defects caused by normal wear and tear or otherwise due to the normal aging of the Voyager Product or their consumable parts such as batteries, hard drives, removable storage devices, adapters or cables; (i) if any serial number has been removed or defaced from the Voyager Product; or (j) if Anduril receives information from relevant public authorities that the product has been stolen or if you are unable to deactivate passcode-enabled or other security measures designed to prevent unauthorized access to the Voyager Product, or you cannot prove in any way that you are the authorized user of the product (e.g. by presenting proof of purchase).

YOUR RESPONSIBILITIES

IF YOUR VOYAGER PRODUCT IS CAPABLE OF STORING SOFTWARE PROGRAMS, DATA AND OTHER INFORMATION, YOU SHOULD MAKE PERIODIC BACKUP COPIES OF THE INFORMATION CONTAINED ON THE STORAGE MEDIA TO PROTECT THE CONTENTS AND AS A PRECAUTION AGAINST POSSIBLE OPERATIONAL FAILURES.

Before receiving warranty service, Anduril or its agents may require that you furnish proof of purchase details and/or Voyager Product serial number and respond to questions designed to assist with diagnosing potential issues and follow Anduril's procedures for obtaining warranty service. Before submitting your Voyager Product for warranty service you should maintain a separate backup copy of the contents of its storage media, remove all personal information that you want to protect and disable all security passwords.

DURING WARRANTY SERVICE IT IS POSSIBLE THAT THE CONTENTS OF THE VOYAGER PRODUCT'S STORAGE MEDIA WILL BE LOST, REPLACED OR REFORMATTED. IN SUCH AN EVENT ANDURIL AND ITS AGENTS ARE NOT RESPONSIBLE FOR ANY LOSS OF SOFTWARE PROGRAMS, DATA OR OTHER INFORMATION CONTAINED ON THE STORAGE MEDIA OR ANY OTHER PART OF THE VOYAGER PRODUCT SERVICED.

Following warranty service your Voyager Product or a replacement device will be returned to you as your Voyager Product was configured when originally purchased, subject to applicable updates. Anduril may install system software updates as part of warranty service that will prevent the Voyager Product from reverting to an earlier version of the system software. Third party applications installed on the Voyager Product may not be compatible or work with the Voyager Product as a result of the system software update. You will be responsible for reinstalling all other software programs, data and information. Recovery and reinstallation of other software programs, data and information are not covered under this Warranty.

WHAT WILL ANDURIL DO IN THE EVENT OF A VALID WARRANTY CLAIM?

If during the Warranty Period you submit a claim to Anduril in accordance with this warranty, Anduril will, at its option:

- (i) repair the Voyager Product using new or previously used parts that are equivalent to new in performance and reliability,
- (ii) replace the Voyager Product with the same model (or with your consent a product that has similar functionality) formed from new and/or previously used parts that are equivalent to new in performance and reliability, or
- (iii) exchange the Voyager Product for a refund of your purchase price.

A replacement part or Voyager Product that has been installed in accordance with instructions provided by Anduril, assumes the remaining term of the Warranty or ninety (90) days from the date of replacement or repair, whichever provides longer coverage for you. When a Voyager Product or part is replaced or a refund provided, any replacement item becomes your property and the replaced or refunded item becomes Anduril's property.
